

Worship Campers and Parents,

We are looking forward to Worship Camp June 18-22. Our theme is Encounter. We are excited about the ways we will be able to encounter God and each other.

We are adding some new things this summer...

New Classes

- Art classes as well as Spoken Word/Poetry classes
- a Cello/Violin class

And an Overnighter Tuesday Night

-We encourage ALL CAMPERS to bring the following

- Sleeping Bag
- Tent (if you have one)
- Pillow
- Toiletries
- Pajamas
- Change of clothes

This is not a required activity, though we encourage all to participate. If you don't want to stay overnight, you are welcome to stay until 10:00pm and then go home. We will have a delayed start Wednesday starting at 10:00am.

We are always needing extra instruments for campers including keyboards, guitars, drum sets, bass. We also need wagons to transport equipment to various locations. Please let us know ON OUR FACEBOOK PAGE if you can bring any of those things.

In Christ,

Kim Paton
